Re: Updates on Healthier Choice Symbol (HCS) Online Application System

Thank you for your participation in the HCS programme.

As a valued partner in the food industry, we understand the value of efficiency when it comes to managing your business operations. Therefore, we are pleased to inform you that we have included new features in the *HCS Online platform*, to streamline the process of HCS applications.

The new features in *HCS Online* are summarized as follow:

1. Clone nutrient value (NV) tab for reapplication or reformulation
2. Withdrawal of a revised artwork
3. Intuitive access to ‘Amendments required for Artwork’
 - (i) click-anywhere function
 - (ii) light bulb icon
 - (iii) renamed section header
4. Self-appeal for product review during suspension period

Details of these new features are in the attached document (Enhancements to HCS Online System 1 April 2023) for your reference. You may start using these features from 1 April 2023 onwards.

We hope that the above enhancements will improve your experience with HCS applications.

If you have questions or concerns about this update, you can reach out to HPB_HCSadmin@hpb.gov.sg or call 6435 3715/ 6435 3301/ 6435 3302.

Thank you for your continued support in HCS.

Regards,
HCS Team
