

Table 1: Summary on Swab Test Requirements

Approval to restart: Builders / companies need to first apply to BCA for approval, if their workers are working /visiting construction sites¹ or working in those sites where construction work has not resumed, to ensure that they meet the COVID-Safe restart criteria (<https://go.gov.sg/bca-restart-criteria>). Applicants are to ensure that workers information submitted is accurate.

Swab test: Employers are required to make appointments for their workers’ Rostered Routine Test (RRT) to resume work. The appointments for RRT can be made through the online Swab Registration System (SRS) at <https://swab.hpb.gov.sg/ext/login.aspx>. Employers can create an account via <https://go.gov.sg/reg-srs-acc> if they do not have a SRS account. The RRT will be carried out by the Health Promotion Board. **Workers who missed their RRT will have their AccessCode status turned red and cannot be deployed to work.**

Workforce	Activities		
	Working at/visiting construction sites ¹ (includes personnel doing site maintenance, site safety, vector control, instrumentation & monitoring (I&M), inspectors, etc. Refer to “Clarity on RRT Requirements” table for more details)	Not working at construction sites ¹ (Construction Account Workers doing renovation works, facilities management and Lift & Escalator, etc.)	Company Corporate Office Premises
(A) Singapore Citizens/ Permanent Residents/Employment Pass holders	RRT is required For sites where construction work has not resumed, workers involved in site maintenance, site safety, vector control & I&M, pre-construction site activities are NOT required to undergo RRT until work resumes.	Not required to undergo RRT	Not required to undergo RRT
(B) S Pass, Work Permit holders residing in non-dormitories , (e.g. HDB, private residential premises, etc)	RRT is required For sites where construction work has not resumed, workers (even a very small workforce) involved in site maintenance, site safety, vector control & I&M, pre-construction site activities are required to undergo RRT.	RRT is required	
(C) S Pass, Work Permit holders residing in dormitories (e.g. purposed built dorms, factory converted dorms, temporary occupation license quarters, construction temporary quarters, temporary living quarters, etc.)	RRT is required		

¹ Construction sites includes “Construction Projects” and “Supply Works” as listed under Table 1 of BCA’s advisory dated 25 May, and building works for landed properties and insignificant building works (IBW) within a Construction Project

Table 2: Clarity on RRT Requirements

The table below provides clarity on the various job roles that require or do not require to undergo RRT. Please note that builders/companies will still need to meet the COVID-Safe restart criteria and observe Safe Management Measures.

S/N	Job role with examples	RRT Requirements	Additional Conditions to be met
1	Developers' / Consultants' Rep who are SC/PR/EP holders not stationed on-site or visitors to the construction site. For example: <ul style="list-style-type: none"> Management level reps of developers and consultants not stationed on-site Homeowners of residential landed properties Foreign delegates 	Not required to undergo RRT provided they meet ALL the additional conditions stated	<ul style="list-style-type: none"> No or minimal physical contact with on-site personnel No usage of on-site facilities, e.g. toilets Duration of each visit is less than 2 hours Visit construction site only once a month or less frequent (may visit different sites but not more than one site per month) To be accompanied by Safe Distancing Officers when on-site
2	Drivers who are SC/PR/EP/non-construction account foreign workers and are not staying in dormitories and transporting non-construction material supplies. For example: <ul style="list-style-type: none"> Waste refuse collectors (excluding sanitary waste disposal personnel) F&B drivers 	Not required to undergo RRT provided they meet ALL the additional conditions stated	<ul style="list-style-type: none"> No physical contact arrangement with onsite personnel while the drivers are at the site. Manage strict SMM and contactless deliveries/collection No usage of on-site facilities, e.g. toilets Duration of each visit is less than 1 hour To be accompanied by Safe Distancing Officers when on-site
3	Drivers (SC/PR/EP/non-construction account foreign workers) who are not staying in dormitories and transporting construction material supplies, sanitary waste and foreign workers. Examples of construction material supplies are: <ul style="list-style-type: none"> Ready-mixed concrete Steel reinforcements Precast components 	RRT is required	N/A
4	Inspectors who are stationed on-site or off-site. For example: <ul style="list-style-type: none"> Inspectors from government agencies Assessors (e.g. QC / ISO) / Resident Engineers (REs) / Resident Technical Officers (RTOs) Safety officers 	RRT is required	N/A
5	Other on-site personnel. For example: <ul style="list-style-type: none"> Security personnel Full time on-site cleaners Full time on-site canteen operators Site admin clerks Maintenance crew (e.g. pest control) 	RRT is required	N/A
