<sup>1</sup> Sausages and ham that meet the following nutrition criteria are allowed to be sold in schools: <450mg/100g sodium, <10g/100g total fat and zero nitrite. HPB will require a lab report of these sausages and ham from the supplier prior to sales in schools. Every 2 years, OPM will conduct an audit laboratory check of these food products to ensure the nitrite content is as per committed and fulfil the HCS criteria.
